October 24, 2014

Dear Families,

Math: Next week students will be reviewing coin values and making exchanges among coins, reviewing telling time and writing time in digital notation, and explore with geo boards.

Students will also participate in Math Centers as extensions to the concepts covered.

Writer's Workshop:

Students will continue to focus on creating a piece of writing with a main idea and supporting details and making sure they are staying on topic.

Daily 5: Next week we will continue to work on comprehension. Students will learn how to make inferences within literature.

Spelling: Next week the focus is r-controlled

vowels (ar, or, er, ir and ur words). Students will also practice their five individual high frequency words throughout the week.

Grammar: Students will practice and review proper nouns.

Social Studies: Next week students will review concepts learned in Unit 1. They will review for the Unit 1 test on Monday and take the test on Wednesday.

Science Next week the students will continue to learn about balance and motion. They will explore with tops and learn different ways to use force to make objects spin, rotate, and twirl.

Halloween: The Halloween parade and party will be on Thursday, October 31st.

Students should

plan a costume that is easy to slip on over their clothes. They should wear their costumes to school. I believe the parade will be at 10:00 am. I will not be in need of any volunteers as we only have a 1/2 day. A separate note regarding the Halloween activities will be sent home as well from Mr. Brenton.

Conference Slips:

Your child should have brought home a note on Monday with open times for conferences. If you signed up for a time at Open House then you are all set. Please fill out the white sheet with three times that will work and return the sheet. I will send home conference times at the end of next week.

REMINDERS:

~ Late Start:

Monday, 10/27

School begins at 9:15 a.m.

~ Halloween & 1/2

Day: Friday, 10/31
