December 5, 2014

Dear Families,
Great job on the Unit 4 Test, Second Graders!!! We will begin Unit 5 next week. Next week students will look at attributes, line segments, parallel lines, and different polygons.

Students will also participate in Math Centers and games that are extensions of the lessons learned during the week.

Writer's Workshop:

In writer's workshop next week we will continue to focus on using our voice to create a piece of fantasy writing.

Daily 5: Next week students will con-

tinue to discuss fairy tales. They will continue to a variety of literacy elements to retell the stories. We will also continue to focus on reading a variety of different Fairy Tale stories and compare them using a retelling graphic organizers.

Students will also participate in a variety of activities to practice this skill and review previously taught skills.

Word Work:

The focus will be on words ending in -y (as in happy) and -ey (as in money). We will practice these patterns throughout the week.

Grammar: Next week we will discuss and practice the verbs *have* and *has*.

Social Studies: We will be continuing with our discussions about land and water forms as we complete our project.

Science: We will be continuing our study of matter next week. We will be experimenting and making our observations with mixtures. Students will mix solids together as well as solids and liquids.
