December 19, 2014

Dear Families,

Math:

When we come back from winter break we will begin Unit 6. Unit 6 will focus on adding three or more number together and comparison number stories.

Students will also participate in Math Centers and games that are extensions of the lessons learned during the week.

Reading Workshop:

After break we will continue with our Fairy Tale unit. Students will also be introduced to Folk tales.

Spelling:

When we return our focus will be words spelled with the /oo/ sound as in foot.

Grammar:

We will be discussing and practicing sentence combining after break.

Writer's Workshop:

In writer's workshop we will finish up our paragraph writing pieces. We will also continue to work on our finish drafting our fractured fairy tales and begin the revising and editing process.

Social Studies:

After break students will learn why people change Earth and identify ways in which people change Earth. They will also identify ways people protect the Earth and recognize ways people can conserve and replenish natural resources.

Science:

After break students will learn about chemical reactions. They will describe, mix, and observe baking soda, water, and vinegar. Students will also observe the changes that occur when they put an effervescent tablet into a bag of water.

HOMEWORK CALENDAR:

The Homework calendar for the week of January 5th will be sent home on Monday, January 5th.

Holiday Break:

Happy holidays to you all!!! Have a great and relaxing holiday break. See you all next year!!! :)
